

In God we trust

Is God out of favor?

Sometimes it seems like God has fallen out of favor. Almost daily, we read of attacks on religions and the religious. Moral beliefs are ridiculed. It has gotten to the point that some schools will not even allow the “Pledge of Allegiance” to be recited because it includes the name of God.

There are men who take pride in their belief in God. Though they worship in different ways and are members of different faiths, they are united in their unswerving faith in the one God of all creation. These are men who believe God guides us along the path of moral and ethical behavior. These are men who believe character does matter. These are men who are not ashamed to say, “My hope is in God.”

Who are these men? They are 32° Freemasons.
